Company At A Glance

About us

Sialon engineers came into existence in the year 2011. Initially the vision of 3 young entrepreneurs was to setup engineering workshop and provide machining solutions. As the company grew it started developing its own products and provide customized engineering solutions and products.

With a strong technical team and in-house testing and manufacturing facilities, we saw a vision to plunge into fibre industry which saw a bright future.

In the year 2015 we started manufacturing FRP/GRP manhole covers under brand SIMTEX. Today it has got vast Market acceptance in domestic as well International markets.

Looking forward to expand our business segment, in the year 2019 we are coming up with wide range of SS Floor Traps, SS cockroach traps, etc.

Our objectives

- Customer delight
- Consistent quality
