## **HP GEAR OIL EP 75W 90 F**

### **DESCRIPTION**

HP GEAR OIL EP 75W 90 F is a multigrade gear oil made from finest quality base oils blended with extreme pressure additives for moderate condition service.

### **APPLICATIONS**

Application areas are all gear boxes where a viscometrics of 75W 90 is recommended in API GL – 4 category.

### **FEATURES & BENEFITS**

- Enhanced low temperature properties
- Good performance even under extreme pressure & varying load conditions

### **MEETS REQUIREMENTS OF**

- API GL-4

### **PHYSICO-CHEMICAL PROPERTIES (TYPICAL)**

Kinematic Viscosity, @ 100°C, cSt	13.5 -24.0
Viscosity Index	146
Flash Point, (COC), °C	218
Pour Point, °C	-45
