

HYDRAULIC scissor table

Single Scissor Table

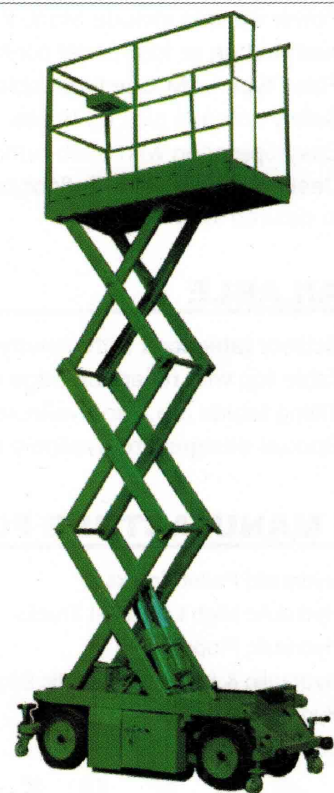

Dock Leveler

Double Scissor Lift Table

Bike Lifter

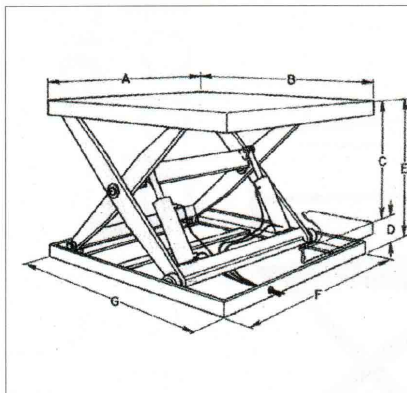

Multiple Scissor Lift Table

CONSTRUCTION

- It's robust construction is designed to achieve greater results in lifting, positioning, feeding, stacking and assembling while minimizing the potential (risk) for injury.
- It consists of hydraulic cylinder, which is made as per the rugged construction of table with the best seals used in cylinder for the best output.
- Simple, smooth and convenient lifting and lowering with high precision operating system.
- All standard lift tables have hydraulic lift up and gravity lowering. If lowering speed required, then order optional double acting power system.
- Energy saving and regenerative, safe and efficient.

SPECIFICATIONS

Model No.	Capacity (In kg.)	Table Size A X B	Vertical Travel C	Lowered Height D	Raised Height E
AM/05/15	500	2000 X 1000	1500	350	1850
AM/10/15	1000	2000 X 1000	1500	400	1900
AM/15/15	1500	2000 X 1000	1500	450	1950
AM/20/15	2000	2000 X 1000	1500	550	2050
AM/25/15	2500	2000 X 1000	1500	600	2100
AM/30/15	3000	2000 X 1000	1500	650	2150

Note : Specifications are in millimeters and subject to change without prior notice for further developments

OPERATIONS

- Power options include Manual hydraulic hand pump, Electric 110V; 3-Phase; with a choice of 110V push-button or foot-pedal control.
- Fixed type or Mobile type tables are available.
- Safely unloads pick up trucks, cars, vans and irregular semi trucks and trailers quickly and efficiently.
- Easy operation with push-button turns loading dock into one-man operation.
- Designed for flush-with-floor or in-pit installation. Allows easy access to forklift or pallet truck then raises to desired loading height.

AVAILABLE

- Scissor table tops with conveying system.
- Table top with rollers on edge of the frame used for transferring sheets and heavy loads.
- Tilting tables are also available for different requirements.
- Special designs are available according to customer's requirements.

WE MANUFACTURE FOLLOWING PRODUCTS

- Hydraulic Pallet Trucks
- Hydraulic High Lift Pallet Trucks
- Hydraulic Floor Crane
- Hydraulic & Hydro pneumatic Bike Lifters
- Hydraulic Stacker
- Hydraulic Goods Lift
- Hydraulic Dock Leveler
- El. Roller Conveyor
- Hydraulic Lift Table / Scissor Table
- Hydraulic Cylinders & Power Packs
